DETERMINATION OF NONSIGNIFICANCE NON PROJECT ACTION

Description of proposal: The City of Kelso Water System Plan identifies near-term projects for the next ten years and long-term projects over the next twenty years. The plan is currently in a draft form and is scheduled for consideration by the City Council in 2025.

Proponent: Kelso Community Development - Engineering
ATTN: Will Hoskins, PE
Senior Engineer
203 S Pacific Ave,
Kelso, WA 98626

Lead agency: Kelso Community Development

Location of Proposal: Citywide

Case No: LUA2025-0016

SEPA Determination: Kelso Community Development has determined that this proposal does not have a probable significant adverse impact on the environment (DNS). An environmental impact statement (EIS) is not required under RCW 43.21C.030 (2)(c). This decision was made after review of a completed environmental checklist and other information on file with the City. This information is available to the public on request.

This will be the only comment period for this DNS. As per WAC 197-11-340(2); this agency will not act on this proposal for 15 days from the date below. The public is invited to comment on this DNS by submitting written comments to the City of Kelso Responsible Official.

Date Issued: April 21, 2025

Comment Deadline: May 5, 2025, 4:30 PM
