- Clarification on Brewery or winery. Limitation of 750 sq.ft. tasting room?
- Clarification on Day Care – It is a state regulation that limits it to 12 or fewer children.
- Clarification on Home Occupation Major vs. Minor. Minor – typically no exterior indication of business going on. Major – there can be identified things that indicate a business is going on. Doesn't always have to be owner occupied. Administrative Review requirements.

B. Proposed Revisions KMC 17.15 Permitted, Administrative and Conditional Uses.

There were a few changes per city manager and city attorney. The following were proposed changes as outlined in the document provided to the commission:

- a) 17.15.10 A – Language change per city manager and city attorney review

The administrative official shall state the reasons upon which the determination is based.
- E. If the administrative official finds that the proposed use is similar, he shall also establish whether the proposed use shall be processed as a Type I, II or III use according to Chapter 17.10. - B. Use classifications are listed on the vertical axis and City of Kelso zoning districts are shown on the horizontal axis.
- C. If a number appears next to the review classification symbol at the intersection of the column and row than that use is subject to special standards listed as footnotes following Table 17.15 in Section 17.15.030.
- D. If a letter appears adjacent to the use classification that land use is subject to performance standards listed in Section 17.15.040. These standards are in addition to other applicable standards of the Kelso Municipal Code.
